

It's always peaceful in our city. Except for today.  
Because today, an elephant has suddenly appeared.  
Just like that. Out of the blue. In the street in front of Ben's house.  
What on earth?

“Eeeek!” cries Ben’s mom.  
“An elephant in our street!  
What is it doing here?”

“Maybe he’s just coming  
to buy clothes,” says Ben’s dad.
