

Little Tractor lives on Big Oak Farm. Lili the trailer is his best friend.  
He has many animal friends, too: Laura the duck, Leo the pig,  
Jules the dog, Annette the chicken, and Anton the horse.  
One morning, Little Tractor and his friends see  
a small plane in the meadow. Who could that be?

“Hello, I’m Little Tractor. Who are you?”

“My name is Gaston. It’s so beautiful here!”

“I didn’t know airplanes had wheels,” Little Tractor says.

Gaston chuckles. “Yes, indeed we do!”

“And such nice wings!” says Annette.

“Why does a plane need wheels?” asks Little Tractor.

“So I can drive on the ground, like you do,” says Gaston.

“Wow! So you could drive to that hedge?”

Gaston smiles. “I could . . .”

“Let’s race!” says Little Tractor.
